	Control of Bribery	Issue number:	Document Reference:
		06	OSL/POL/HSQE/007
		Issue Date:	Author:
		July 2015	Mike Gregory

OSL Rail Limited promotes integrity throughout all aspects of business and is a core value of all work activities.

The Company expects all employees and those who work closely with us to behave with integrity at all times which includes a zero tolerance approach to corruption and bribery of any kind including any cash dealings.

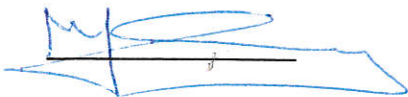

This Policy assists with compliance with the Bribery Act 2010 which relates to both the public and private sector and is relevant to giving or receiving anything that may be interpreted as a bribe.

As Directors we fully support the act and will provided sufficient resource to ensure that the Company remains in a position of compliance with the act.

This Policy forms part of all our Contracts with Clients, Suppliers and Sub-contractors or any third party.

The policy applies to all those working for or on behalf of OSL Rail Limited and we will only conduct business in accordance with the intent of this Policy and shall review this Policy on an annual basis or sooner in the event of legislation changes.
